Welcome to Riverside's Annual Quilt Auction!

Whether you are a faithful attendee of this annual event or this is your first time, we welcome you to Riverside and couldn't be happier to have you join this celebration. We are grateful you have chosen to spend part of your weekend with us! We extend our appreciation to all of our talented quilters and our loyal participants. We are thrilled to be able to showcase all of the beautiful quilts and other items in our Riverside Chapel. Our online auction has been active all week and we are looking forward to our live auction happening today also!

Our annual event continues to be blessed by the countless hours spent by supporters of Riverside from all over the state of Iowa – designing, cutting, and stitching all of the beautiful work that you see in the Chapel and/or online. The generosity and dedication of our quilters has been enjoyed by so many over the years. It has become a tradition for many families to grow their Riverside quilt collection by one (or more) every year at this very event.

Additionally, we want to especially thank the volunteers who spend several hours of their summer helping to process, organize, and photograph quilts – making a big contribution to this event!

Proceeds from today's event go toward providing "camperships" for children to attend Riverside Bible Camp. It works like a scholarship allowing any child, regardless of financial situation, to have the opportunity to come to camp, be loved on and encouraged by our talented summer staff, and most importantly, hear the gospel of Jesus Christ - creating unforgettable memories that will last for years and even generations to come.

Again, we can't fully express the gratitude we have for our quilters who feel called to join in what God is doing at Riverside. So much love and careful thought and attention accompany every quilt you see today. We recognize the significance of their time and talents and are so appreciative. Enjoy your day and thank you for partnering with us and our mission "To Know Christ and To Make Christ Known to All".

In Christ,

The Riverside Team

****Any payment for quilts that exceed their 'normal' value may be considered a tax-deductible donation to camp. Donation receipts for the purchase of quilts will be mailed to the buyers. Gift-in-kind receipts will be mailed to the quilter/organization specified on the Quilt Donation Form.**
